Addressing youth groups, families and congregations

Why?

With 88% of youth who grow up in a Christian home departing from the faith by the time they are out of college, we feel the need is greater than ever to speak truth to those in danger of getting swept up in the cares of the world.

- Today, the divorce rate among Christians is nearly no different than that of the world
- STDs and immorality are pervasive and rampant even in youth groups and churches

We believe that where there is no vision the people perish and that as Christians we have been called to instruct in word and be an example to believers in conversation, in love, in spirit, in faith, and in purity.

Who Are We?

We are a group of young Christians (ages 17 - 22) with a burden for our generation to have a zeal for the Lord and walk in holiness, without which, no man will see the Lord. (Heb 12:14) Combined, Katie, Ashley, Josh, and Miles have spoken in various youth groups and congregations across the country and around the world. Our focus is to speak especially to young people about the need for holiness and purity as it relates to relationships with the opposite sex. We have kissed dating goodbye and we are committed to honoring Jesus in all that we do.
